

ROTARY IN WARSOP AND SHIREBROOK

WHAT'S IN IT FOR ME?

WHAT DO WE PUT IN TO ROTARY?

YOUNG PEOPLE

We spend time with young people in schools and the community in general to help them develop and realise their potential, through games, competitions and supporting their aspirations.

THE COMMUNITY

We assist the community through our work with local charities, organisations and local events in order to support the young, elderly and disadvantaged and we aim to encourage and enrich the lives of the people in our area.

INTERNATIONAL

Working with our twin Club in Switzerland and with Rotary International, we support projects such as the eradication of polio, the provision of water to areas of severe drought, International efforts to support areas of the world struck by natural and man made disasters, etc.

WHAT DO WE GET OUT OF ROTARY?

FELLOWSHIP AND FRIENDSHIP

We meet regularly as friends and colleagues and enjoy good meals, good speakers and great outings. We enjoy a rich relationship with our twin Club in Zofingen in Switzerland. As part of an international movement we are welcome wherever we go in the world.

NETWORKING

We have a wealth of knowledge and contacts amongst our members who are always willing to help each other with problems, offer advice and generally to assist, whether this is a work problem or a home project.

INTEGRATION INTO THE LOCAL COMMUNITY

We enjoy living and working in our local community with people who need help or just wish to expand their social life. Rotary provides an identity and a sense of purpose and a means to influence local matters of importance in our area.
